3	متن زیر را بخوانید و به سوالات خواسته شده پاسخ دهید.	15
	It is very important to us to respect our teachers. We should note that teachers were not always teachers. They were once students like us. They have experienced school time like us. we know that teachers want to help students learn. They have a lot to share with us: their life experiences, their	

	failures, their successes and many more. When we respect others, we are actually respecting ourselves. We can show our respect to our teachers by paying attention during lessons and following classroom rules. Remember that a good student is always prepared for class. We all have met many dedicated teachers that go far beyond their duties and become a model for the students. When we listen to them and respect them, they feel honored. When we study well, we are actually appreciating them for their love and attempt. 45. According to the passage, teachers were always teachers. True/ False 46. Teachers share their experiences with us. True/ False جملات زیر را کامل کنید. 47. Students can show their respect to teachers by ..... 48. Dedicated teachers become a model for students because they	
2	متن زیر را بخوانید و به سوالات خواسته شده پاسخ دهید. When you decide to read a book, read the introduction first. You should never jump into the letter parts of the book without reading the introduction. There are also books which do not have any introduction. Storybooks are one type of these books. If you are interested in reading storybooks, always look for less popular ones. They are easy to read for elementary learners. You can also read two or more storybooks at the same time and then, compare them with each other. Reading advanced storybooks without a good vocabulary knowledge is difficult, so never waste your time on them. 49. All books have the introduction part. True/ False 50. Storybooks have different levels. True/ False 51. Reading the most popular storybooks is easy for elementary learners. True/ False 52. You can read some storybooks at the same time. True/ False	16
