How to use a dictionary

A dictionary is a very important tool for anyone who is learning a new language. With a good one you can do the following ;you can look up the meaning of an English word you see or hear; to find a word quickly, you need to know the English alphabet perfectly. For words with more than one meaning you should choose one makes more sense in the context; checking the spelling and pronunciation are others facilities that a dictionary offers. Also to check the plural of a noun, part of speech, or past tense of a verb, a dictionary is helpful. Likewise, a dictionary provides readers with synonym or antonym, collocations, and grammatical information about a word too. In sum, learning a new language is fun by the use of a dictionary.

33. What is a dictionary?
