12.متن را کامل بخوانید و به سوالات پاسخ دهید(۵ نمره)

Nature is very important for humans. In order to connect to the nature, you can go outside and choose a quiet place, whether it is a forest, or grassland, lake or mountain. You will find how relaxing it is to just sit and enjoy the natural sounds of the woods, leaves or birds. You can also feel free from all the pressure you have in crowded cities in your daily life. Nature is really the world's wonderful gift.

Sometimes it is good to go out with your family members or friends and spend enough time in nature. You can do different activities like playing games, and eating snacks. We should all respect and appreciate nature by keeping it clean and safe.

46)It is not good to spend time in nature. T / F

47)You can go to forests, grassland, lakes or mountains to relax. T / F

48)What can you feel when you are in nature?

……

49)What kind of activity can we do in nature?

……

50)How can we respect nature?

……
