4	Reading 1. **Reading Comprehension : Read the passage and then answer the question** A good dictionary must give example sentences for every word. Example sentences are English sentences which contain a word. Example sentences are not just helpful - they are actually more important than definitions. While a definition tells you the meaning of a word and (sometimes) gives you some grammatical information, example sentences have at least two advantages: 1. They let you check if you've understood the definition correctly. The meaning of a word can become much clearer if you read a few sentences with the word. 2. They show you how to use a word in sentences. Many words "go with" certain grammar structures (for example, the word "important" is often used in the phrase	۷
