His father was a painter and art teacher. **He** helped his son to improve his artistic ability. When Picasso was 10 years old, his family move to Barcelona, Spain where Picasso took an exam to attend a popular Art School. The exam was going to take one month, however it was very surprising that Picasso finished it in one day. A few years later, he went to another school in Madrid. He was bored with the old Teachings of Art School, and he did not want to paint like people hundreds of years ago. He really wanted to create something new. He moved to Paris where he worked as an artist and created his wonderful drawings. During this time, he created his famous Blue period works. In 1907, Picasso painted a painting that is known as the first painting in the modern art movement. Artists from all over the world travelled there to see this painting. In 1907, Picasso began to experiment with a new style of painting. He is well-known for creating the Cubism Style. One of the most interesting things about Picasso is that he was the first artist to be famous during his own lifetime. He was one of the most important artists of the 20th century. He died on April 8, 1973. **True/False** **45**. Picasso was a famous French artist during the 18th century. a) True b) False **46**.
