۱	**متن زیر را بخوانید و به سوالات مربوطه پاسخ دهید.** A dictionary is a book which explains the meanings of words and expressions. You can find words easily because dictionaries put them in alphabetical order. The word 'dictionary' comes from the Latin '**dictio**'('saying'). There are several types of dictionaries. Dictionaries which explain words and how they are used; dictionaries which translate words from one language to another; dictionaries of biography which tell about famous people; and technical dictionaries which explain the meanings of technical words. A complete dictionary also tells you about the origin of words and the story behind them. For example, the words like 'pajamas', 'bazaar' and 'paradise' entered English from Persian. **Questions;** 24. Why we find words in a dictionary easily? 25. What is the origin of the word "dictionary"? 26. Biography dictionaries translate words from one language to another. True ◯ False ◯ 27. The word "bazaar" in not English, originally.
