B

Read the following text and answer the questions .

Elderly people have to deal with the problems of aging, especially those related to health and income. Health– related conditions commonly include normal losses of hearing, eyesight and memory. In addition, the elderly run a high risk of developing some serious illnesses such as kidney problem, stomach cancer , diabetes, and heart disease. While some people do not experience these problems until very old age, a lot of them learn to find a way to live with the limitations caused by health problems. Nowadays elderly People receive better medical care during their lives as most governments have health plans for them . Income,as another important problem, has also influenced the way the elderly live.Most of these people are retired and do not work anymore .They usually earn about half the money that working people make . As a result , they may face various economic problems . This makes the situation even more difficult for those who do not have suitable houses, have no access to means of transportation and not receive social Services . Something needs to be done to improve their condition so that they feel more hopeful in the future . They will find it difficult to keep their social relationships . Providing better medica l care and meeting their money – related needs will help them live a happy life .

4

c . cancer and sickness d . limitation and retirement

76 . Many elderly people deal with health – related problems by ……..

a . being socially less active b . not working any more

c . having several economic problems d . getting help from their government

77 . What serious health – related problems do the elderly face ?

78 . How much do retired people earn ?

C

Read the following passage and then answer the questions carefully .

A dictionary is a collection of words ranging from letters A- Z .When reading or writing a story ,an essay , a paragraph or even a sentence ,using a dictionary is a great help .

There are many advantages of using a dictionary .So ,using a dictionary is important for students .The first advantage of using a dictionary is pronunciation .We can also listen to the pronunciation of the words if we use an audio dictionary . The second advantage of using a dictionary is checking out a word's right spelling .The third advantage of using it is learning a word's part of speech . **It** is one of the types into which words are divided in grammar according to their use , such as noun ,verb ,or adjective.

6

www.kanoon.ir

Lastly , example sentences are mostly available. Seeing specific words used in a sentence can provide more context and help you better understand proper usage . However , searching words by using a dictionary takes a lot of time . By using a talking dictionary, we are able to look the words up in a few minutes.

As a result , a dictionary is a great help for everyone ,especially students who are learning a language and who are interested in language learning .

79 . How can a talking dictionary help us ?

80 . What is the use of example sentences ?

81 . When is a dictionary a great help for us ?

82 . What does the pronoun **(it)** in line 6 refer to ?

a . pronunciation b . spelling c . part of speech d . example sentence

83 . Learning a word ‘s part of speech helps us better understand proper usage of it .

a . True b . False

84 . Generate a question with question starter **“ why “ ,** and answer the question .

GOOD LUCK
