4	متن زیر را بخوانید و به سؤالات، به صورت خواسته شده پاسخ دهید. Respect is a way of acting well or thinking highly about something or someone. You respect those who are important to you. You show your respect by being polite and kind. When you are impolite or act badly toward people, they may feel sad or angry. But whom should you respect the most? You must care for those who always care for you. You know that your parents care for you for every little thing. You must love them, respect them and care for them. Besides bringing you into the world, your parents spend their time, energy, and strength to make sure that you have what you need or want. Telling them that you thank them reflects the level of your respect for them. The easiest way to show your love and respect is to tell them that you appreciate who they are and what they do. You can also do something small but meaningful, for example, wash the dishes, clean the kitchen after dinner or clean the rooms. Your parents will pay attention to and appreciate your act of kindness. You may also tell your mom how well she cooks, or tell your dad how great he is at his job. For most of parents, any of these small things can be a sign of respect. 44. We respect those who are important to us for some reasons. a) True b) False 45. If you are impolite or act badly toward people, they feel important. a) True b) False 46. Which is NOT mentioned in this passage? a) washing the dishes b) cleaning the kitchen c) offering help to people d) respecting people 47. Telling your mom how well she cooks is very good for ..... of our mothers. a) all b) most c) none d) one 48. What is the easiest way to show your love and respect to your parents? 49. What do our parents do besides bringing us to the world?	16

When you come across an unfamiliar word, that word may stop your understanding of the passage. Your eyes pause too long on the word as you try to get its meaning. You go back and read the word again, try to get its meaning from the context. As a result, you read much more slowly than you should, and you find that the difficult word is a wall to your comprehension. Suppose that you know many words and you are skilled in finding the meanings of new words. Your eyes move quickly and you read rapidly. You comprehend what you are reading. If you have a good vocabulary, you are more interested in reading. 50. Unknown words in a passage may make comprehension easier. a) True b) False 51. The meaning of a new word may be guessed from the text. a) True b) False 52. What is the closest synonym for the word "suppose"? a) believe b) accept c) understand d) imagine 53.
