Donating is a great way to help others by giving something to someone who needs it more than us. It could be clothes, food, toys, or even our time. Another place to donate is a place that collects food for people who don't have enough to eat. By donating food, we can help someone have enough to eat. Sometimes, we can give money. Some organizations use the money to build schools, provide medical help, or even protect the environment. We can also donate our time by helping or using our skills to help those who need it.
