۴	**متن زیر رابخوانید و به سوالات داده شده هر قسمت پاسخ دهید.** A trilingual dictionary is a useful tool for learning languages. It usually includes three languages, for example Persian, English, and French. Students can use this type of dictionary to understand new words more easily and compare meanings in different languages. When reading English texts, a trilingual dictionary helps students find the correct meaning of unfamiliar words. By checking the word in two other languages, learners can avoid mistakes and provide better understanding of the context. This is especially helpful for students who are studying more than one foreign language at school. Another advantage of using a trilingual dictionary is improving vocabulary. Students can learn synonyms and spelling at the same time. This makes reading faster and more enjoyable. In conclusion, a trilingual dictionary is an effective learning resource. It helps students improve their reading skill by comparing meaning in three different languages, increase vocabulary, and gain confidence in learning languages. **42**.Trilingual dictionary helps students understand the meaning of new words by comparing different languages. a) True b) False **43**. A trilingual dictionary is useful only for learning English. a) True b) False **44**. According to the text, one main purpose of using a trilingual dictionary is to: a) translate full sentences b) make reading slower c) avoid mistakes d) replace the teacher **45**. Which of the following is **NOT** mentioned as an advantage of a trilingual dictionary? a) Learning pronunciation b) Improving vocabulary c) Comparing meanings d) Increasing confidence in language learning **46**. How does a trilingual dictionary help improve reading skills? ..... **47**. How many languages are there in a trilingual dictionary?	**15**
۴	**متن زیر رابخوانید و به سوالات داده شده هر قسمت پاسخ دهید.** Amir Kabir was one of the most distinguished people in Iranian history. He was born in 1807 during the Qajar period. His father worked as a cook in the king's house, so Amir Kabir grew up in an ordinary family. From the young age, he showed intelligence and a strong interest in learning. Through hard work and effort, he entered government service and slowly gained important positions. Finally, he became the prime minister of Iran and began to work seriously for the country. As a dedicated leader, Amir Kabir tried to improve Iran in many ways. He strongly believed that education could help the nation progress, so he founded Dar al-Funun, the first modern school in Iran, to train young students. He was a generous and helpful man who cared deeply about ordinary people and tried to make their lives better. He showed his love for his country through honest work and wise decisions. Although he was killed in 1852, his name and great services are still remembered today. **48**.Amir Kabir's father was poor, so he did not care about education. a) True b) False **49**. When Amir Kabir was killed, he was about 45 years old. a) True b) False **50**.Which sentence best shows Amir Kabir's interest in education? a) He worked in the king's house b) He showed his love for his country c) He founded Dar al-Funun d) He was a generous and helpful man **51)**What can we understand about Amir Kabir from the passage? a) He was born into a rich family b) He worked hard to improve people's lives c) He cared only about government work d) He was not successful as a leader **52**.When was Amir Kabir born?..... **53**.How did he show his love for country?..... **ادامه درصفحه پنجم**	**16**
