A dictionary is a collection of words ranging from letters A – Z . When reading or writing a story, an essay, a paragraph or even a sentence, using a dictionary is a great help .

There are many advantages of using a dictionary . So using a dictionary is important for students .

The first advantage of using a dictionary is pronunciation. We can also listen to the pronunciation of the words if we use an audio dictionary . The second advantage of using a dictionary is checking out a word's right spelling . The third advantage of using it is learning a word's part of speech . It is one of the types into which words are divided in grammar according to their use, such a noun, verb, or adjective .

Lastly, example sentences are mostly *available* . Seeing specific words used in a sentence can provide more context and help you better understand proper usage . However, searching words by using a dictionary takes a lot of time . By using a talking dictionary, we are able to look the words up in a few minutes .

As a result, a dictionary is a great help for everyone, especially students who are learning a language and who are interested in language learning .

42. How can a talking dictionary help us ? …… .

43. What does the pronoun (it) in lion 6 refer to ?

a. pronunciation b. spelling c. part of speech d. example sentence

44. What is the *opposite* of the underlined word " *available* " ?

a. out of reach b. valuable c. repetitive d. accessible

45. Learning a word's part of speech helps us better understand proper usage of it .
