You can find words easily because dictionaries put them in alphabetical order. The word 'dictionary' comes from the Latin 'dictio'('saying'). Dictionaries which explain what words mean give a clear 'definition' of them. A good dictionary also gives more information about words. For instance, it explains how they are pronounced. Usually the **International** Phonetic Alphabet (IPA) is used for this purpose. When using a dictionary to find out how to say something in another language, one has to be careful to choose the right meaning. A word like 'right' has several meanings in English, for example, 'correct' and 'the opposite of left'. A word like 'present' may be used as an adjective, meaning 'not absent', as a noun, meaning 'gift' or as a verb, meaning 'give'. Words with different meanings exist in other languages, too. A good dictionary lists all the meanings of words to help people find the meaning that they look for. A complete dictionary also tells you about the origin of words and the story behind them. For example, the words like 'pajamas', 'bazaar' and 'paradise' entered English from Persian. 29. The word 'dictionary' comes from the Greek word 'dictio'. (.5) True (صحیح) / False (غلط) 30. The word 'pajamas' came into English from Arabic. (.5) True (صحیح) / False (غلط) 31. Why can we find words in a dictionary easily? (1) …… 32. 4	متن زیر رابخوانید و به سوالات ارائه شده در هر قسمت پاسخ دهید و در پاسخ نامه بنویسید. It is very important for us to respect our elders. It is also important to note that elders were not born elders; they were kids like us and now have grown old. A few years hence we will also grow older. If today we respect them, our present and future generations will carry those values and will learn to respect us as well when we grow old. Elders have a lot to share with us: their life experiences, their failures, their successes and many more. Thus, we need to care for **them** because they deserve to be cared for. Respect and care for elders start with our parents as they are our first teachers in our life. No matter what we do in our lives, who we are, and where we live, we must love them as they love us unconditionally. They feel honored when we appreciate their love and respect them. So it is our duty to help them when they need us because they are not young enough to handle things on their own like before. 34. Respect and care for old people starts with our parents.
