To be generous, you do not have to give away large amounts of money or do something really special. Generosity comes from the heart and means giving without asking for anything in return. There are many small ways you can be more generous and make a difference in other people's lives. To be generous, you can: Give someone a gift. Give your seat on public transportation to someone who needs it more than you do. Give a smile to a stranger. Donate old clothes, toys, and items that you no longer need to a charity. These small acts of kindness can make a big difference in someone's life. They do not take much time, but they do require thoughtfulness and effort. A simple kind word like "you look great today", a heartfelt thank you, or a friendly word can make someone's day. It can make them smile and feel good. This is the power of kindness.

۴	**متن زیر را با دقت بخوانید و به سوالات داده شده پاسخ دهید.** Online dictionaries are a great resource for anyone who wants to learn a new language. They are one of the most useful tools you can use to expand your vocabulary and knowledge of a foreign language. Some features are only available in online dictionaries: 1. A search box: You can search for words by typing or clicking on them in this box. 2. An example bank: Since there is much more space in online dictionaries, you will find many more example sentences than in paper dictionaries. This will help you understand how words are used in context. 3. An audio function: Many online dictionaries have an audio function that lets you hear how a word is pronounced. 4. A history button: With this button, you can go back to previous searches and see which words you have looked up recently. 5. A Quiz Function: Some online dictionaries have a quiz function that allows you to test your knowledge of a word. Despite all these great features, paper dictionaries still have their place.
