People donate clothes and other items to some stores,and others can buy them at less price.The money from these sales often goes to help people in need. Another place to donate is a place that collects food for people who don't have enough to eat. By donating food, we can help someone have enough to eat.

Sometimes,we can give money. Some organizations use the money to build schools, provide medical help, or even protect the environment. We can also donate our time by helping or using our skills to help those who need it. Whether reading to children at a library or cleaning up a park, our help can bring joy and make our community.
