Collocation is the way words work together to sound ...**41**... in a particular context. For example we might say "The typhoon" brought heavy rain and strong wind, but we would not say that it brought 'strong rain'or 'heavy winds'. Those ... **42** ... do not collocate. ...**43**... collocations 'wrong' may not prevent people from understanding your text ...**44**... it can often make meaningless precise and may sound odd. Choosing the right collocation will enable you to **... 45 ...**yourself more precisely and will draw attention to where it should be.

41) a) natural	b) strange	c) familiar	d) calm
