READING COMPREHENSION

A: Read the following text and choose the items which best suit the tests. (3 points)

Looking up words you don't know can be difficult, especially if you don't know which definition to choose when you open a dictionary. When to look up a word, how an English dictionary is compiled, and which description to choose will help you effectively use the dictionary to improve your understanding of the reading texts. First, decide when to use the dictionary. Guess the meaning of the word based on the context before looking **it** up. Read the whole sentence, and continue to read the paragraph to see if you can guess the meaning of the word based on the information surrounding it. Identify the part of speech, if you can, to help you find the meaning of the word. Look for prefixes, suffixes, or roots that suggest the word meaning.

www-kanoon-ir

If you are still confused or think you are missing important information, now it is the time to take out the dictionary. Decide which type of dictionary to use. There are different of dictionaries available. They are called online dictionaries, learner's dictionaries, bilingual dictionaries, and monolingual dictionaries.

23. After looking the word up, try to guess its meaning. A. True B. False

24. The information around the words helps you guess their meanings. A. True B. False

a. word b. dictionary c. context d. meaning

Complete the sentences below:

27. The part of speech helps you find …….. .

28. According to the passage, we use a dictionary when ……. .

B: Read the following Passage and respond the questions and tests as required. (3 points)

Respecting is a way of acting well or thinking highly about something or someone. You respect those who are important to you. You show your respect by being polite and kind. When you are impolite or act badly toward people, they may feel sad or angry. But whom should you respect the most?

You must care for those who always care for you. You know that your parents care for you for every little thing. You must love them, respect them, and care for them. Besides bringing you into the world, your parents spend their time, energy, and strength to make sure that you have what you need or want. Telling them that you thank them **reflects** the level of your respect for them. The easiest way to show your love and respect is to tell them that you appreciate who they are and what they do. You can also do something small but meaningful, for example, wash the dishes, clean the kitchen after dinner or clean the rooms. Your parents will attention to you and appreciate your acts of kindness. You may also tell your mom how well she cooks, or tell your dad how great he is at his job. For most of parents, any of these small things can be a sign of respect.

29. Which word is **defined** in the text? ……..

30. If you are impolite or act badly toward people, they feel important. A. True B. False

31. We show our ……..by being polite to those we care for.

a. need b. strength c. happiness d. respect

32. The word 'reflects' in paragraph 2 is closest in meaning to …… .

a. increases b. shows c. guesses d. reduces

www-kanoon-ir

33. What is the easiest way to show your love to your parents?

…….. .

34. Can doing small things show express your respect to the elderly? (Give two examples.)

…….. .

C: Read the short texts and answer the questions. (2 points)

TEXT ONE

Many products are developed each year. Laptops and tablets were made scientists' hard work. Some inventions are created by accident or scientists' mistakes. Interestingly, some tools and technologies are not made by scientists at all. **Some** like dishwashers and computer games were made by ordinary people like workers, housewives, and school students.

35. The pronoun 'some' refers to …… .

36. Based on the text, which one is true?

a. Not all scientists are hard - working.

b. All technologies required lots of attempts.

c. Usual people have no roles in people's comforts.

d. Not all technologies needed scientists' discoveries.

TEXT TWO

Elders have a lot to share with us such as their life experiences, their failures, their successes and many more. Thus, we need to care for them because they deserve to be cared for. Respect and care for elders start with our parents as they are our first teachers in our life.

37. We have to care for our elders because …….. .

a. their failures are less important

b. they respect us as their teachers

c. they share their life experiences with us

d. their successes are not important

TEXT THREE

Sharks are not all the same. In fact, there are nearly 400 different kinds. Most sharks never attack people. Only a special group of sharks can be dangerous. They kill an average of forty people every year. Let's compare sharks with snakes. Snakes kill about 60,000 people every year. And let's not forget that people kill 25,000,000 sharks every year.

38. We can understand from the above paragraph that …….. .

a. snakes are more dangerous than sharks

b. all groups of sharks are dangerous

c. sharks are more dangerous than snakes

d. most dangerous snakes never attack people
