5+1	**Reading** **B. Read the text and choose the best option.** Louis Braille was born in France in 1809. His father had a small business. He made shoes and other things from leather. Louis liked to help his father in the store even when he was very small. One day when Louis was three years old, he was cutting some leather. Suddenly the knife slipped and hit him in the eye. Louis soon became completely blind. When he was ten years old, he entered the National Institute for the blind in Paris. One day his class went to visit a special exhibit by a captain in the army. One thing in the exhibit was very interesting for him. It showed messages in code. Armies send messages in secret codes so no one else can read **them**. The captain wrote this code in raised letters on very thick paper. Then **he** decided to write in the same way so blind can read. Instead of letters he used a cell of six dots. He invented this system when he was only fifteen years old. Braille was buried in the Pantheon because he was a national hero. **28. What gave him the idea for the Braille system?** a) making shoes c) visiting the exhibition b) helping his father d) cutting the leather **29.What was Braille's nationality?** a) Italian b) French c) American d) British **30.What do "them" and "he" refer to?** a) armies/the captain b) secret codes/Louis c) messages/Louis d) messages/the captain **31.What is the main idea of this text?** a) Louis Braille visited an exhibit of codes. b) Braille invented a system of reading for blind people. c) Blind people also use talking books and typewriters today. d) Braille was buried in the Pantheon because he was a national hero. **32.Who sends messages in secret codes?** a) Armies b) The Captain c) Louis Braille c) National Institute for the blind **33.The writer…… in the above paragraph. (سوال امتیازی)** a. describes the life of a well-known man b. instructs how to make new inventions c. gives a biography of a famous person d. explains why Louis decided to invent Braille	**10**
