	37)A dictionary is a tool that gives the users different type of facilities . a)True b)False	
N	**Read the passage 2 and then answer the questions.** Donating is a great way to help others by giving something to someone who needs it more than us.It could be clothes, food, toys, or even our time. People donate clothes and other items to some stores, and others can buy them at less price. The money from these sales often goes to help people in need. Another place to donate is a place that collects food for people who don't have enough to eat .By donating food, we can help someone have enough to eat. Sometimes, we can give money. Some organizations use the money to build schools, provide medical help, or even protect the environment. We can also donate our time by helping or using our skills to help those who need it .Whether reading to children at a library or cleaning up a park, our help can bring joy and make our community. Donating is a generous act. It teaches us to think of others and be kind . So ,let's remember the power of donating and keep giving what we can to make the world a better place. 38) Some people in need donate clothes to stores. a) True b) False 39) People learn to think of others and be kind through donating. a) True b) False 40) Which of the following is true about donating? a) People donate to learn skills. b) Donating food is more important than money. c) Donating takes different shapes. d) People should eat enough food to donate others. 41) According to the passage, donating our time is ----------. a) using skills to help those who need it b) using money to build schools c) giving something to someone on time d) providing medical help 42) What does donating mean according to the passage? 43) What can some organizations do with the money which people donate?	4
