Reading (two):

It was a winter morning and the students were busy listening happily to their lovely teacher at an elementary school in shaft when suddenly the heater of the class caught fire. The fire was everywhere very quickly and the dedicated teacher , who had felt the danger , tried to save each child by holding them one by one in his arms and taking them out.

But a sever wind shut the door of the class ,and the flames of the fire ranged so high that he could hardly get out of it. Finally ,although he could save his students lives , unfortunately , he was so badly injured during the fire that physicians couldn't help him . Hassan Omidzadeh , the distinguished teacher died in a hospital in Fooman , in 2012 , at age 58 (15 years after the fire) as the result of the burns and injuries that he had received from the fire . This event was the hot news for many years.People were talking about Hassan's brave act everywhere .Hassan died because of his love for his students. Instinct of survival makes every human being prefer to survive and escape the danger, but Hassan Omidzadeh did what not many could ever think of at the moment of danger.

The school where the accident happened , was named after Hassan Omidzadeh and changed to " self – sacrificing teacher.Hassan Omidzadeh ."He also received the '' badge honor " from the Iranian President which was awarded to him by the Ministry of Education . His name , along with others heroes of our homeland like Mohammad Hossein Fahmideh and Riz Ali Khajavi , is listed in school textbooks .
