Part Four: Reading

K. Read the following text and answer the questions.

Earth is the home of living things. People, animals, and plants live on Earth. There are many beautiful lakes, plains, and forests. There were many more beautiful things here before, but humans destroyed them. They hunted animals and **harmed** nature.

We need to save animals and plants and take care of them. All humans are going to work together to have a beautiful home. If we work hard, we will have clean air and water in the future. We will have a safe place to live. In this way we will save Earth for our children.
