3	**Reading** متن زیر را بخوانبد و به سوالات داده شده هر قسمت پاسخ دهید. Respect is not only for people, you also need to respect nature. You should learn to respect nature and also teach it to your next generation. There are some good ways to improve the sense of respect for nature among society. When you are outside with your children, take time to show them the beauty of nature. Show them the blueness of the sky on a clear, bright day, or grey sky on a cloudy day. Ask your child to touch trees, rocks and leaves to feel the temperatures. You can also teach your kids the names of different plants, trees, and animals and practice identifying them. You can do these and show the beauty of nature in your yard or in your favorite park. You may buy a plant for each child that they can take care of inside or outside of the house. You should remind your children that all living creatures are parts of our world and are valuable in the natural environment. 58.According to the passage, people should only respect other people.
