4	**متن زیر رابخوانید و به سوالات داده شده هر قسمت پاسخ دهید.** A dictionary is a very important tool for anyone who is learning a new language. With a good **one** you have a lot to do. You can **look up** the meaning of an English word you see or hear. OF course, to find a word quickly, you need to know the English alphabet perfectly. For words with more than one meaning, you should choose the one which makes more sense in the context. Checking the spelling and pronunciation are other facilities that a dictionary offers. Also, to check the plural of a noun, parts of speech, or the past tense of a verb, a dictionary is helpful. Likewise, a dictionary provides readers with synonym or antonym, collocations, and grammatical information about a word, too. To sum up, learning a new language is easy and fun by using a dictionary. ٣٣.What is a dictionary? …… ٣٤.What can we check in a dictionary? . …… ٣٥.
