Some people prefer to provide help and support directly to those in need. However, others prefer to give money to national and international charity organizations. one of the advantages of providing

www-kanoon.ir

direct support is that you can know exactly how your money is spent.Another benefit is that you can see the IMPACTs on those you are helping, which can lead not only to great personal happiness but also to respect from others who appreciate the work you do. In conclusion a person should make their own choice in helping others. The important point is that we continue to give to those who are more in need than ourselves.

١. What can it lead to when you see the impacts on those you are helping?
