A word like 'right' has several meanings in English, for example, 'correct' and 'the opposite of left'. A word like 'present' may be used as an adjective, meaning 'not absent', as a noun, meaning 'gift' or as a verb, meaning 'give'. 38. **What caution should one take when using a bilingual dictionary?** a) Choose the first meaning listed b) Consider only the literal translations c) Select the meaning that fits the context d) Use it only for single-word translations	
۴	**متن زیر را بخوانید و به سوالات آن با دقت پاسخ دهید.** Dictionaries are essential resources for language learners. They provide a wealth of information about words, their meanings, and usage. Whether you are a beginner or an advanced learner, dictionaries can greatly assist you in your language learning journey. Dictionaries come in various types, each serving different purposes. The most common types include bilingual dictionaries, monolingual dictionaries, and specialized dictionaries. Bilingual dictionaries provide translations of words from one language to another, making them ideal for learners who want to understand words in their native language. Monolingual dictionaries, on the other hand, offer definitions and explanations of words in the target language itself. Specialized dictionaries focus on specific subjects such as medical terms or legal terminology. To use a dictionary effectively, it is important to know how to navigate its features. Firstly, locate the word you want to look up by using the alphabetical order of entries. Once you find the word, pay attention to its pronunciation guide if available. This will help you pronounce the word correctly. Next, read the definition(s) provided and any additional information such as synonyms or example sentences that illustrate how the word is used in context. **True / False** 39. ۴	**متن زیر را بخوانید و به سوالات آن با دقت پاسخ دهید.** It is very important for us to respect our elders. It is also important to note that elders were not born elders; they were kids like us and now have grown old. A few years hence, we will also grow older. If today we respect them, our present and future generations will carry those values and will learn to respect us as well when we grow old. Elders have a lot to share with us. Thus, we need to care for them because they deserve to be cared for. Respect and care for elders start with our parents as **they** are our first teachers in our life. No matter what we do in our lives, who we are, and where we live, we must love them as they love us unconditionally. They feel honored when we appreciate their love and respect them. So it is our duty to help them when they need us because they are not young enough to handle things **on their own** like before. **True / False** 44. Elders have nothing to share with their children. a. True b. False 45. Respecting elders starts with our teachers. a. True b. False **Choose the best answer.** 46.
