The word 'dictionary' comes from the Latin 'dictio' ('saying). There are several types of dictionaries .Dictionaries which explain words and how they are used; dictionaries which translate words from one language to another; dictionaries of biography which tell about famous people; and technical dictionaries which explain the meanings of technical words. Dictionaries which explain what words mean give clear defnition of them..A good dictionary also gives more information about words .For instance, it explains how they are pronounced.Usually the International Phonetic Alphabet (IPA) is used for this purpose. A complete dictionary also tells you about the origin of words and the story behind them. 'For example, the words like 'pajamas', 'bazaar' and 'paradise' entered English from Persian.	١٥
