	READING	۱۰
۷	متن زیر را بخوانید و به سوالات پاسخ دهید: (۴) **Anthropology is the study of how people live. It includes their family, life, religion, art, laws, and language. The term *anthropology* comes from two Greek words. *Anthropos* means "human being" and *logy* means "the science of."** **Anthropology can be divided into two areas. These two main divisions are cultural anthropology and physical anthropology. Culture includes many things, such as art, religion, laws, and even furniture and movies.** **Anthropologists define human progress in three main steps. Step one begins with the first human being and continues until the last of the people who <u>hunted</u> animals just to survive. Step two includes people who also grew food. In this step, there was progress in invention and religion. The third step focuses on the first civilizations, such as those in Egypt and parts of Asia.** **Anthropologists constantly seek new information about people. For instance, recent evidence found in Ethiopia and Kenya shows human earlier in history than was previously believed.** **23. A good title for this text is----------** **a) Anthropology b) Man's early Beliefs** **c) The study of Furniture d) Anthropology & Religion** **24. The word <u>hunted</u> in line 7 means:** **a) looked for b) bought c) saw d) protected** **25. The author suggests that for a long time anthropologists were wrong about when human beings first ----------.** **a) hunted b) spoke c) appeared d) developed** **26. The Greek term *Anthropos* means** **a) human being b) language c) Egypt d) the science of.**
