4	متن زیر را با دقت بخوانید و به سوالات به صورت خواسته شده پاسخ دهید. **N**obody knows for sure how long it is possible for a human being to live. Although hundreds of people have claimed to be 150 or more, the greatest certain age to which any human has lived is 120 years and 237 days. Shigechiyo Izumi of Japan was born on 29 June 1865 and died on 21 February 1986. The number of people living to be more than 100 has increased: of these most are women. **M**any people live to be old, over 80, and then some essential parts of their bodies, such as the heart, give up and death follows. Many others, however, die younger from hunger, disease or accidents. **T**he number of years a human being may expect to live on average is called his or her expectation of life. "On average" takes account of those who die in childhood as well as the people who live to be old. **B**efore ways of preventing or curing disease were known, the expectation of life was not long, even in rich countries. At the end of the 18 century, the **expectation of life** at birth in northwestern Europe and North America was 35 to 40 years. By 1970, it was more than 70 years. **Choose the best answer** **42. Which statement about the passage is NOT true?** a. We know for sure that some people have lived over 150. b. Shigechiyo Izumi of Japan lived more than 100 years. c. The greatest certain age to which one has lived is 120 years 237 days. d. The number of people living to be more than 100 years has increased. **43. The passage mentions all of the following causes of death EXCEPT ……. .** a. hunger b. disease c. wars d. accidents **44. "Expectation of life" can be ……. .** a. the number of years that old men live b. the number of those who die in childhood c. the average years a human being may expect to live d. people who die in childhood as well as those who live to be old **True or False** **45. 3	One of the most important thing is our heritage and culture. We have much to learn from our parents regarding our heritage. This heritage and history brings a sense of belonging. Most importantly, it brings us a sense of identity of our past and the responsibility to protect it for our future generations. What I can add at the end is the role of our parents' morals, values, and principles in our lives. Our elders have either learned, created or have been brought up with a set of morals, values and principles in their lives. Our elders want the best for us and they are willing to tell us what set of rules and guidelines have made them successful, and hopefully, peaceful. **Write the best answer.** **48. Our heritage is important because it brings with it the three senses of ..... .** **Answer the following question.** **49. What should we do about our culture and heritage?** **True or False** **50. Our parents' parents have brought them up with a set of values and principles.** a. True b. False **Choose the best answer.** **51. The pronoun "them" refers to ..... .** a. our parents b. our elders c. guidelines d. rules	14
3	متن هر قسمت را بخوانید و با توجه به مفهوم، بهترین گزینه را انتخاب کنید. **52. If today we respect our elders, our present and future generation will carry those and will learn to respect us as well when we grow old.** a. Children carry more value than elders. b. Elders respect us more than children. c. Children will carry elders when they grow old. d. When we respect elders, our children learn to respect us. **53. When using a dictionary to find out how to say something in another language, one has to be careful to choose the right meaning.** a. The right meaning of the word is the one you find out in the dictionary. b. You should pay attention to the proper meaning of the word you are looking up. c. One may always find the wrong meaning of the word in a dictionary. d. When using a dictionary, be careful to find a word alphabetically. **54.Dr. Gharib spared no pains to cure the sick children.** a. Dr. Gharib was very friendly; however, he failed to cure the sick children. b. Dr. Gharib was a generous man, and he spent a lot of time to donate money to the sick children and the poor. c. Dr. Gharib was very skillful and could cure all people. d. Dr. Gharib spent as much time as necessary to help the kids who were sick.	15
