۱۰- متن زیر را بخوانید و به سوالات جواب دهید ۲ نمره

Suppose that you have a very small vocabulary. Also suppose that you don't know how to get the meaning of new words. When you come across an unfamiliar word, that word may stop your understanding of the passage. Your eyes pause too long on the word as you try to get it's meaning. You go back and read the word again ,try to get it's meaning from the context. As a result, you read much more slowly than you should, and you find that the difficult word is a wall to your comprehension. Suppose that you know many words, your eyes move quickly and you read rapidly. You comprehend what you are reading and you are more interested in reading.

33- You try to guess the meaning of the new word from the context. True ☐ False ☐
