To me, that table ***(was not put / has not put / has not been put / has been put)*** in the right place, has it?
The man: No worries. We can place the table by the window in front of the sofa.
The woman: I really don't like the color of the sofa. I saw a beautiful sofa yesterday in the new shop down the street.
The man: You are not telling me you want to change that sofa, ***(do you / don 't you / aren't you / are you)*****?**
It was given to us on our wedding day by my aunt. You remember that.
The woman: OK. We will keep the sofa but it must be put somewhere else.
The man: Ok, I think I will take it to my office.

Reading Comprehension

Read the texts and answer the questions

K: Text 1 (1)

There are the two words at the top of each page of a dictionary that show the first and last entries on the page. These words are the guide words and they will help you find the word you are looking for in the right letter section.

l. Where can we find the guide words?…….

2. The guide words show us…… a word.
a. the exact place of b. the right place to look for
c. the first letter of d. the last entry of

L: Text 2 (3)

It is very important for us to respect our elders. It is also important to note that elders were not born elders; they were children like us and now they have grown old. A few years later we will also grow older. If today we respect them, our children and future generations will carry those values and will learn to respect us when we grow old. Elders also have a lot to share with us: their life experiences, their failures, their successes and many more. Thus we need to care for them because they deserve to be cared for. Respect and care for elders start with our parents as they are our first teachers in our life.

1. Why should our young generation respect the elders? ……..……..
2. What do elders have to share with their younger generations? ……..
3. Our fathers and mothers are our first teachers. True False
4. Caring for elders begins at home. True False

M: Text 3 (4)

We are repeatedly told that it is important to strengthen your vocabulary to help you speak and write good English. But the key to your success is having the right dictionary. Using the right dictionary will help you develop your vocabulary effectively. It is essential for you to keep a good dictionary handy. But how to know which dictionary is the right <u>one</u>? A good dictionary:

- Tells you how words are spelt
- Tells you how words are pronounced
- Gives you the different meanings of words
- Gives examples of how the words are used
- Gives you the synonyms and the antonyms of words
- Gives you words from the same family
- Tells you the origin of some foreign words

If you find a dictionary which can <u>provide</u> all those above points, it can be regarded as the right or good dictionary.

1. What does one (in the first paragraph) refer to?…….
2. What word in the text is a synonym for the word <u>provide</u>? …….
3. What is the best title for this reading text?
   a. What a good dictionary shows us b. How a dictionary helps us to succeed
   c. How to develop your vocabulary d. What we need to speak and write well

4. The text says that the key role of a good dictionary is…….
   a. to show us how a word is said and written b. to help you improve your vocabulary
   c. to find the root and origin of the word d. to help you speak and write well

Luck is yours & wishes are mine, let your bright day always shine
