۲	**متن را خوانده و به سوالات داده شده پاسخ دهید.** Elders have a lot to share with us: their life experiences, their failures, their successes and many more. Thus, we need to care for them because they deserve to be cared for. Respect and care for elders start with our parents as they are our first teachers in our life. No matter what we do in our lives, who we are, and where we live, we must love them as they love us unconditionally. They feel honored when we appreciate their love and respect them. So, it is our duty to help them when they need us because they are not young enough to handle things on their own like before. **True/False** **40)** Elders do not share their failures with us. **a.** True **b.** False **41)** Parents love their children unconditionally. **a.** True **b.** False **Choose the best answer.** **42)** What does 'them' in line 4 refer to? **a.** children **b.** parents **c.** teachers **d.** experiences **Answer the questions.** **43)** Why should we care for elders? **44)** Who should we respect first?	**N**
۴	**متن را خوانده و به سوالات داده شده پاسخ دهید.** Respect is a way of acting well or thinking highly about something or someone. You respect those who are important to you. You show your respect by being polite and kind. When you are impolite or act badly toward people, they may feel sad or angry. But whom should you respect the most? You must care for those who always care for you. You know that your parents care for you for every little thing. You must love them, respect them, and care for them. Besides bringing you into the world, your parents spend their time, energy, and strength to make sure that you have what you need or want. Telling them that you thank them reflects the level of your respect for them. The easiest way to show your love and respect is to tell them that you appreciate who they are and what they do. You can also do something small but meaningful, for example, wash the dishes, clean the kitchen after dinner or clean the rooms. Your parents will pay attention to and appreciate your acts of kindness. You may also tell your mom how well she cooks, or tell your dad how great he is at his job. For most of parents, any of these small things can be a sign of respect. سوالات متن در صفحه بعدی می باشند	**O**
