H	**به سوال‌های متن زیر پاسخ دهید.** **Jabbar Baghcheban is well known for opening the first Iranian kindergarten and the first deaf school for Iranian kids. He is the author of the book 'Method of Teaching the Deaf' in which he explained his unique method of teaching the deaf, known as' oral hand alphabet system'. He devoted his life to speech training for Iranian deaf students. There are plenty of Baghcheban schools all across the country now for deaf kids. Mirza Jabbar Asgarzadeh was born in Yerevan, Armenia. His origin was from Tabriz or Urmia in the Iranian Azerbaijan region. The first kindergarten he established was called the Baghch-e Atfal which means the "kid's garden". That is why he was given the nickname Baghcheban which literally means "gardener" in English. He "established" a school for the deaf in 1924. That school was located next to his kindergarten. In 1928 he wrote the first Iranian children's book in Persian. The book was called "Baba barfi "which means "Snow daddy".** **A. True or False** 28. Jabbar Baghche Ban is famous for opening a school for blind people. True ☐ False ☐ 29.
