Read Farid's text about his family's food habits, and answer the questions.

Hi I'm Farid. Everybody has a different food habit in our family. I am a picky eater. I don't eat any types of meat –red, white or fish. Oh, I'm allergic to seafood. My sister, Sara, can't stand milk and eggs. That's a bad eating habit, I know; because milk and eggs are really good for us. My mother is a big vegetarian. She eats lots of vegetables and fruits 5-6 times a day. There are many vitamins in vegetables and fruits. My father is a tea lover. He drinks 8 cups of tea every day.
