An online dictionary is one that is available on the Internet or World Wide Web. You can have (an) access to it through a Web browser by using a computer or a mobile device, primarily by typing a term into a search box on the site. Online dictionaries offer immediate, direct access through very large databases to a word's pronunciation and meaning, plus a host of information. This information includes words' spellings, parts of speech, definitions, synonyms, antonyms, origins, collocations, etc. It also gives examples of how to use the words in sentences correctly. In short, you can use an online dictionary whenever you need it.
