D: Reading

D1: Cloze test

A monolingual learners' dictionary or MLD is a type of dictionary ……29… to meet the reference needs of people learning a foreign language. MLDs are based on the idea that language learners should ….30… from a bilingual dictionary to a monolingual one when they become more advanced in their target language, but that general-purpose dictionaries (aimed at native speakers) are inappropriate for their needs. Dictionaries for learners …..31… information on grammar, usage, common errors and collocation, which is largely missing from standard dictionaries, because native speakers tend to know these……32… of language naturally. And while the….33… in standard dictionaries are often written in difficult language, those in a monolingual learners' dictionary aim to be simple and accessible. 2.5

29. a) is designing	b) which designed	c) designed	d) designing
30. a) support	b) progress	c) contain	d) identify
31. a) create	b) produce	c) include	d) connect
32. a) aspects	b) levels	c) entries	d) volumes
33. a) introductions	b) definitions	c) generations	d) collocations

D2: Read the following passage and choose the correct answers.

Some people prefer to provide help and support directly to those in need. However, others prefer to give money to national and international charity organizations. Giving money to those in need can be a personally good experience, but there is a choice between donating nationally and internationally through charities or giving directly to those around you. One of the advantages of providing direct support is that you can know exactly how your money is spent. Another **benefit** is

that you can see the impacts on those you are helping, which can lead not only to great personal happiness but also to respect from others who appreciate the work you do. 3.5

There are advantages in giving to charities that are national and international. First and the best is helping in problems of global importance, such as curing diseases and human rights or helping those who are in bad environmental events like earthquakes and floods. In conclusion a person should make their own choice in helping others. The important point is that we continue to give to those who are more in need than ourselves.

34. What can it lead to when you see the impacts on those you are helping?

.....

35. What is the important point in helping others?

.....

36. What is the closest synonym for the word “benefit”?

a. experience b. advantage c. choice d. effect

37. Helping people in bad environmental events has the global importance. a. True b. False

38. All people feel great personal happiness when they help others. a. True b. False

Best Wishes
