A dictionary is a very important tool for anyone who is learning a new language. With a good one you can do the following; you can look up the meaning of a word. To find a word quickly, you need to know the alphabet perfectly. For words with more than one meaning you should choose one makes more sense in the context; checking the spelling and pronunciation are other facilities that a dictionary offers. Also to check the plural of a noun, part of speech, or past tense of a verb, a dictionary is helpful. A dictionary provides readers with synonym or antonym, collocations, and grammatical information about a word too.
