۵	متن زیرا بخوانید و به سوالات آن پاسخ دهید. It is very important for us to respect our elders. It is also important to note that elders were not born elders; they were kids like us and now have grown old. A few years hence, we will also grow older. If today we respect them, our present and future generations will carry those values and will learn to respect us as well when we grow old. Elders have a lot to share with us. Thus, we need to care for them because they deserve to be cared for. Respect and care for elders start with our parents as <u>they</u> are our first teachers in our life. No matter what we do in our lives, who we are, and where we live, we must love them as they love us unconditionally. They feel honored when we appreciate their love and respect them. So it is our duty to help them when they need us because they are not young enough to handle things <u>on their own</u> like before. 46) Elders have nothing to share with their children.(0/5) a. They want to wear different clothes to show that they are free. In some countries, they can drive when they are only 16. Many young people work at part – time jobs after school and on weekends, so they can buy their own cars. After finishing high school, some of them live in their own apartments. Still teenagers must know that their parents have a lot to share with them: their life experiences, their failures, and their success. They should respect and care for their parents as parents are the best support in their lives. 52) For few people, teenage years are the best years of lives.(0/5) a)True b) False 53)For teenagers, wearing strange or different clothes is a way to show that they know more than their parents.(0/5) a) True b) False 54) According to the passage, teenagers are between thirteen and nineteen years old.(0/5) a)True b) False 55) Teenagers at the age 16 can drive in all countries.(0/5) a) True b) False 56) Fathers and mothers are the best …… for teenagers in the ups and downs of their lives.(1) 57) The passage says that parents have a lot to share with……(1) a)people b) high schools c) teenagers d) adults 58) What do elders have to share with teenagers?(1) ……	۱۵
