۱۳			**متن زیر را بخوانید و به سوالات داده شده در هر قسمت پاسخ دهید.** Human beings have been painting pictures for at least 30 thousand years. The earliest pictures were painted by people who wanted to catch and kill animals. Perhaps the painters thought that their pictures would help **them** to catch the animals. Or perhaps human beings have always wanted to tell stories in pictures. About 5,000 years ago the Egyptians and other people in the Near East began to use pictures as a kind of writing. They drew simple pictures or signs to show things and ideas, and also to show the sounds of their language. The signs these people used became a kind of alphabet. The Egyptians used to record information and to tell stories by putting picture – writing and pictures together. When an important person died, scenes and stories from his life were painted on the walls of the place where his dead body was put.
