A dictionary is a very important tool for anyone who is learning a new language with a good one you can do the following; you can look up the meaning of an English word you see or hear. To find a word quickly you need to know the English alphabet perfectly. For words with more than one meaning you should choose the one. That makes more sense in the context; checking the spelling and pronunciation are other facilities that a dictionary offers. Also to check the plural of a noun part of speech, or past tense of a verb, a dictionary is helpful. Likewise, a dictionary provides readers with synonym or antonym collocation, and grammatical information about a word too. in sum learning a new language is fun by the use of a dictionary. 1.
