Albert Einstein, a physicist, was born on March 14, 1879, in Germany. He could change people's understanding of the physical world, therefore, he has been considered as one of the greatest thinkers in science. After graduating in 1900, Einstein had a hard time finding a job. He finally got a job at the Swiss Patent Office in 1902. This job gave him the time to do some of his important works like writing theoretic papers on physics, especially his Theory of Relativity.

He became a professor at the German University in Prague. He began working at the Prussian Academy of Sciences in Berlin in 1914, and soon finished his work on his General Theory of Relativity, which was published in 1916. Einstein was awarded the Nobel Prize for physics in 1921. In 1933, he left Germany because of the strict rules of Hitler. He went to work at the Institute of Advanced Study at Princeton University in New Jersey. He later became a US citizen. During World War II, he wrote a letter to President Roosevelt expressing his worry about the atomic bomb.

After stopping his work in the institute in 1945, he spent much of his time giving lectures and speeches and working on theories. In his final years, he lost his health. He was hospitalized with stomach pains several times, and he died on April 18, 1955.

3	**متن زیر را بخوانید و به سؤالات پاسخ دهید:** Nowadays English language is divided mostly in two types of "British English" and "American English". Of course, there are other kinds, too.However, these two are considered the most common and standard ones in education, news, or any types of media. There are differences between "American" and "Britisn English. These differences are mostly in spelling, pronunciation and meaning; however, the grammar is the same. Fortunately, these differences are not unknown anymore and one can easily find them on word entries in dictionaries, because they are identified with different symbols for the ease of users. Some dictionaries are **compiled** according to only one of these types, or both of them; for example, Webster and American Heritage dictionaries provide users primarily with "American English "whereas Oxford, Longman and Cambridge dictionaries guide users through both "American and British" differences and Learners can easily have access based on their needs. It is very important for teachers to guide young language learners from the very first step to choose one of the "British" or "American" English and only focus on one; because a mixture of them doesn't seem really internationally good and **it** is confusing. 35. British English is one type of English language. a) False b) True 36. The difference between American and British English is only in spelling. a) False b) True 37. In the last line of the text, it refers to ……..... . a) the very first step C) a mixture of them b) British English d) American English 38. What does "compile" mean in the second Paragraph? a) provide b) achieve c) offer d) collect 39. Why is it important to choose one of the British or American English?	K
