Respect is not only for people, you also need to respect nature. You should learn to respect nature and also teach it to your next generation. There are some good ways to improve the sense of respect for nature among society. When you are outside with your children, take the time to show them the beauty of nature. Show them the blueness of the sky on a clear, bright day, or grey sky on a cloudy day. Ask your child to touch trees, rocks and leaves to feel the temperatures. You can also teach your kids the names of different plants, trees, and animals and practice identifying them. You can do these and show the beauty of nature in your yard or in your favorite park. You may buy a plant for each child that they can take care of inside or outside of the house. You should remind your children that all living creatures are parts of our world and are valuable in the natural environment.

True/False

49. According to the passage, people should only respect other people.	**a. True**	**b. False**

A good dictionary gives the user information about words such as spellings, pronunciations and definitions. It also gives examples of how to use the words in sentences correctly. Therefore, it is essential to know how to use a dictionary. In this text, we provide you with some helpful tips on how to use a dictionary effectively.

1.Read the Guide Words. These are the two words at the top of each page that show the first and last entries on the page. These words will help you find the word you are looking for in the right letter section.

2.Read the Definitions. Once you find an entry, you can find the exact meaning of the word, its pronunciation, part of speech, synonyms, antonyms, and probably its origin.

3. Look for Collocations. Learning the meaning of a single word is not usually enough. Through sentence examples, try to learn collocations to expand your vocabulary.
