Yet another important thing is our heritage and culture. We have much to learn from our parents regarding our heritage, to be proud of our past. This heritage and history brings a sense of belonging. Most importantly, **it** brings us a sense of identity of our past and the responsibility to protect it for our future generations. What I can add at the end is the role of our parents' morals, values, and principles in our lives. Our elders have either learned, created or have been brought up with a set of morals, values and principles in their lives. Our elders want the best for us and they are willing to tell us what set of rules and guidelines have made them successful, and hopefully, peaceful.

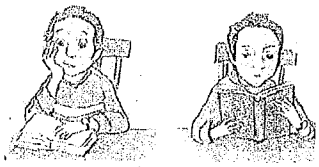

46. **Our elders do not want to share their values with us.** a. True b. False
47. **Heritage helps us understand the identity of our past.** a. True b. False

Today, we will talk about the best people in our lives. These are the people who are kind, generous and always ready to help others. Firstly, our parents are the best people in our lives. They take care of us, provide us with love and support and teach us important things from the moment we are born, they dedicate their time and energy for our health. They wake up early in the morning to prepare our breakfast and get us ready for school. They work hard to provide us with a comfortable home, healthy food and access to education. We should be grateful for their kindness and do our best to make them proud. Secondly our teachers are also among the best people in our lives. They guide us, educate us and **inspire** us to become better people. They spend their time and energy to help us learn and grow. In the classroom, they kindly explain difficult subjects, answer our questions and encourage us to discover our interests. Outside of the classroom, they spend their personal time, preparing lessons and providing extra assistance to those in need. We should respect and appreciate their dedication to our education. Thirdly our friends play an important role in our lives. They are there for us during both good and bad times. True friends support us all the time and bring joy and comfort to our lives. They listen to us and understand us. Through their acts of kindness in generosity, they make our lives better. We should appreciate their presence.
