3.5	**متن زیر را با دقت بخوانید و به سوالات مربوطه پاسخ دهید.** Respecting elderly people and parents is an important value in every society. They have worked hard for many years to raise children and build families. Parents and elderly people have much life experience that can help younger people. When we listen to them, we can learn from their mistakes and successes. Elderly people may become weak and need help in their daily life. Helping them with shopping, walking, or housework shows kindness and respect. Speaking politely to parents and elderly people is very important. We should not shout at them or ignore their words. Many elderly parents feel lonely, especially when their children are busy. Spending time with them can make them feel happy and valued. In Iranian culture, respecting parents is a strong moral duty. Islam also teaches us to be kind and patient with our parents. Taking care of elderly parents is not a trouble but an honor. When we respect our parents today, we teach the next generation good behavior. A society that respects its elderly people will have stronger families and values. **63-** Islam teaches people to respect and be kind to their parents. **(a. True b.
