21	**Q. متن زیر را بخوانید وبه سوال های آن به شکل خواسته شده پاسخ دهید** To be generous, you do not have to give away large sums of money or do something really special. Generosity comes from the heart and means giving without asking for anything in return .There are many small ways you can be more generous and make a difference in other people's lives. It's a good idea to try these small acts of generosity from time to time: • give someone a gift. • give your seat on public transportation to someone who needs it more than you do. • give a smile to a stranger. • offer to carry someone's groceries or other items for them . • donate old clothes ,toys and household items that you no longer need to a charity. These small acts of kindness can make a big difference in someone's life. They do not take much time, but they do require thoughtfulness and effort. A simple kind word like" you look great today ! ", a heartfelt thank you ,or friendly word can make someone's day .It can make them smile and feel good .This is the" power of kindness ." Such small acts of kindness are the basis of many successful relationships. It is important to remember that small acts of kindness can be just as a powerful as large ones. If we all do something kind for others, no matter how big or small ,the world will be a better place. **True / false** **59**. 22	**R . متن زیر را بخوانید وبه سوال های آن به شکل خواسته شده پاسخ دهید** There are many aspects that are involved in taking care of elderly or aged people. Those who have the responsibility of taking care of the aged need to be aware of the various needs and requirements that the elderly have. Elderly individuals who live on their own, without the support of anyone, may have a certain amount of financial needs. Such people need to **fend** for themselves for everything, including food, groceries, medicines etc. It is natural that elderly people prefer staying at home in their old age. The homes of such people may be built to **accommodate** their changing needs. There is the added benefit of familiar neighbors in the event of an emergency.	3

	Health services are the most important requirement when it comes to elderly needs. Elderly people have age-related health issues. This is a normal part of life and cannot be avoided. Proper care and nursing facilities go a long way in keeping most of these health issues in check and also preventing them from causing any serious harm. Regular medical check-ups are useful to monitor their health . As people age, their **digestive systems** gradually starts to weaken. Elderly people often find that they have difficulty digesting certain foods. It is important to realize that diet has to change to accommodate the reduced ability of the body. *For the elderly whose mobility has been affected due to aging, a certain amount of assistance in the daily routines becomes a necessity. It may not be possible for a family member to be present the whole day. Home nurses are the latest professionals to have appeared on the career list.* The elderly have social needs too. Modern medicine recognizes as fact that the elderly, just as ordinary people, need to feel wanted, cared for and loved. Physical comfort for the elderly differs from the needs of the young. As an example, air-conditioning may be looked upon as a necessity for the young. Yet, for an aged body, it may be very uncomfortable. Considering all that has been said, is it any wonder that care homes have become a billion dollar industry? Not every business is about profits. Care homes serve an important purpose in modern society. Nursing homes, care homes, **retirement بازنشستگی** villages are just some of the forms that organized elderly care has taken. **digestive system دستگاه گوارش accommodate مطابق با Fend ازعهده خود برآمدن** **True or False** **65.** Those who have the responsibility of taking care of the aged don't need to know about them**. a. true b. false** **66.** The greatest need of the elderly is …….. **67.**According to the passage all of the following are elder's need **except …….** a. social b. modern styles c. financial d. physical **68**.According to paragraph 6 (it is italic)we understand that …… . a. they need *a* certain amount of assistance because of their aging mobility problems. b. family members can be at their homes the whole day . c. Home nurses aren't very experienced to do this list. d. they don't need any assistance because of their aging **69.** Care homes serve an important purpose in modern society. Based on this statement, how would you describe the characteristic nature of care homes ?
