2/5	متن زیر را بخوانید و به سوالات مربوط به آن پاسخ دهید. It is very important for us to respect our elders. It is also important to note that elders were not born elders; they were kids like us and now grown old. So, a few years, we will also grow older. If today we respect them, our present and future generations will carry those values and will learn to respect us as well when we grow old. Elders have a lot to share with us: their life experiences, their failures, their successes and many more. Thus, we need to care for them because they deserve it. Respect and care for elders start with our parents, as they are our first teachers in our life. No matter what we do in our lives, who we are, and where we live, we must love them as they loved us. They feel honored when we appreciate their love and respect them. 29. It is important to remember that elders were not born elders. True False 30.
